

The
Orrmont
ESTATE

BARTENDER INFORMATION

The Orrmont Estate was built as a private residence (and still is), so please treat the house and grounds as someone's home. We really do appreciate it. If you need anything or have any questions, please just ask, our names are Tim and Janelle. If you don't see us, ring the doorbell at the front door.

Vehicles must stay on the driveway at all times, if you are having trouble backing, let us know, we would be happy to move your vehicle for you.

Not all trailers and trucks can drive under the portico at the side of the house, if you have a trailer or tall truck, please note the size before pulling through.

There is a push cart on the front porch for your use, please return it when you are done.

After you have unloaded, please move (or let us move) your vehicle so we can keep the "circle" clear for other vendors unloading.

The ice maker is on the north side of the restrooms and will be full if the bride and groom requested it. Please don't put bottles or cans in the bin of the ice maker; there is a large scoop in the bin for your use. Recycling trash cans are provided for your use, please utilize them for all recyclable materials (plastic, glass, etc.).

Any water or ice needing disposed of can be dumped in the utility sink or the woods, not the grass.

Please keep all bar items inside the tent (on the concrete) or out by the ice maker.

Last call for liquor and mixed drinks should be about an hour before the music stops, and last call for beer and wine should be about half an hour before the music stops.

Please do not serve alcohol to guests that are drunk, if you have any trouble with this, let us know and we will be happy to help you.
